5. You will receive an email to confirm that your **ConnectIt** registration has been activated.

6. In an internet browser, go to <http://www.connectit-software.co.uk/registration/login.aspx?p=CITSAGE50>
7. Enter your **QuoteWerks** license key (or the email address used to register initially) and your password.
8. Click download.

9. The **ConnectIt Install** download will start; save the file to your hard drive or a convenient place on your network.

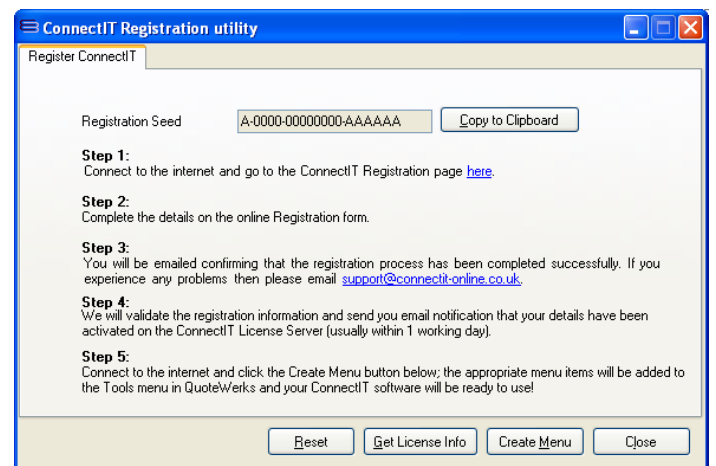

10. Once the download is complete, extract the files and run the **setup.exe**.

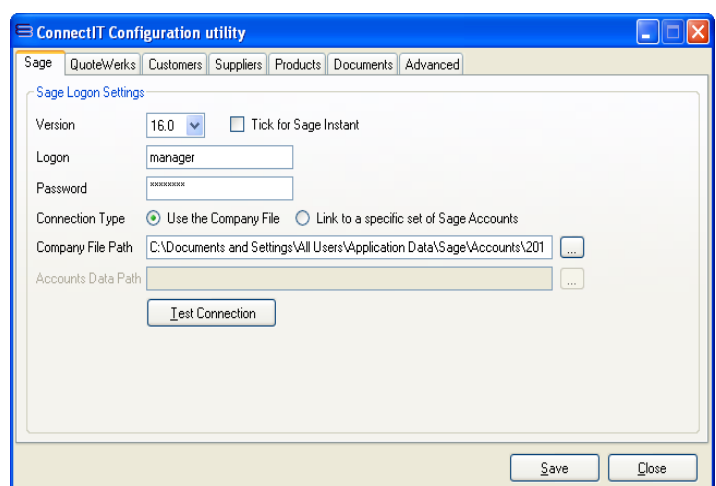

For more information on installing ConnectIt-Sage please refer to the **Step-by-Step Guide to Installation**.

11. To take advantage of new utilities in your new version of **ConnectIt**, open the **ConnectIt Registration** utility and click the **Create Menu** button. New menu options will be available the next time you start **QuoteWerks**.

12. To set up and configure **ConnectIt**, please refer to the **ConnectIt-Sage Step-by-Step Guide to Configuration** and **ConnectIt-Sage Step-by-Step Guide to Registration Manager**.

Upgrading from ConnectIt-Sage v1.5.x (and above)

1. In an internet browser, go to <http://www.connectit-online.co.uk/download.aspx>
2. Enter your **QuoteWerks** license key (or the email address used to register initially) and your password.
3. Click download.

Note: If you don't know the password, then you can use the "click here" option to be emailed your registration details.

4. The **ConnectIT Install** download will start; save the file to your hard drive or a convenient place on your network.

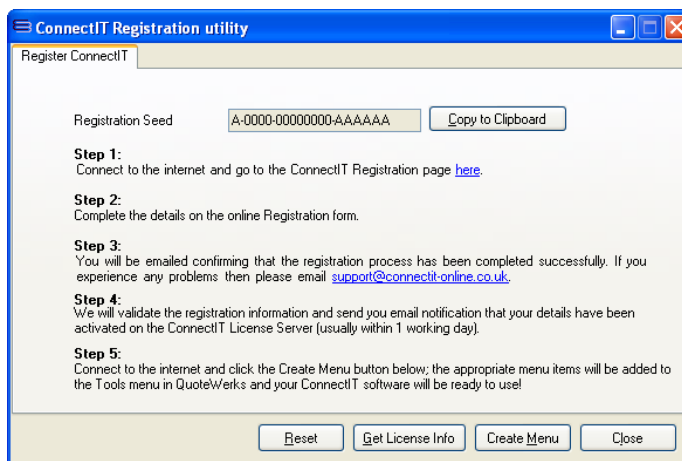

5. Once the download is complete, extract the files and run the **setup.exe**.

For more information on installing ConnectIt-Sage please refer to the Step-by-Step Guide to Installation.

6. On successful upgrade, users may receive a message that a valid license could not be found. If this message appears, then open the **ConnectIt Registration** utility and click the **Get License Info** button to get the most up to date registration information for your purchase.
7. If new utilities are available in your new version of ConnectIt-Sage, then open the **ConnectIt Registration** utility and click the **Create Menu** button. Any new menu options will be available the next time you start **QuoteWerks**.

Note: These final steps only need to be performed once for each QuoteWerks installation on your server and/or remote users.

Upgrading from ConnectIt-Sage v1.12.x (and below)

Note: In ConnectIt-Sage v1.13, there have been changes to the ConnectIt-Sage Configuration utility which mean that existing users' current Configuration settings will not be loaded automatically and will be replaced by ConnectIt-Sage's defaults.

If you are an existing user of ConnectIt-Sage and would like to retrieve your existing Configuration settings, follow the steps below:

1. Download and install the latest version of **ConnectIt-Sage** as per the upgrade instructions above.
2. Open the ConnectIt-Sage Configuration utility from Start | All Programs | ConnectIt
3. On the Advanced | Running ConnectIt tab, click the "Load Configuration from ConnectIt v1.12 or below" button.
4. Click OK to the message confirming that your existing Configuration settings uploaded successfully.
5. Click the **Save** button to retain the settings on the **Advanced | Running ConnectIt** tab.
